

Quality Assurance Visit – Safeguarding and Child Protection Policy and Procedures

School: Zouch Academy

Date of visit: 18.10.16

Name of person completing the review: Sarah Turner (Independent Safeguarding Consultant)

School staff involved in the review: Mrs B O'Brien (Principal and Designated Safeguarding Lead), Mrs J Udale (Deputy DSL and Inclusion Manager)

Purpose of visit: To quality assure the effectiveness of safeguarding and child protection policy and procedures at the school.

Agreed and anticipated impact in school as a result of this review:

- Safeguarding and child protection concerns are dealt with effectively, in partnership with other agencies where applicable and in a timely manner (including allegations against adults working in school with children).
- All statutory and LA requirements for safeguarding and child protection are met.
- All staff and adults working with children have the appropriate level and frequency of training and are able to apply their knowledge and understanding of safeguarding and child protection to keep children safer.
- Robust recruitment procedures are in place.
- Pupils are taught about safeguarding and how to keep themselves safe.

Actions are identified under each section in the action plan
