Book: Dear Greenpeace

Reading task – To be able to compare.

Description - Today, we're focusing on comparing. When we compare, we can look at what is similar and what is different. Have a look at the letters below. How many things can you think of that are similar about these pages, and how many are different?

Dear Greenpeace,

Last night I read your letter to my whale. Afterwards he let me stroke his head. It was very exciting.

I secretly took him some crunched-up cornflakes and bread-crumbs. This morning I looked in the pond and they were all gone!

I think I shall call him Arthur, what do you think?

*Dear Wolf,
Just to let you know that I am
visiting Granny today and you need
to stay away. Hope I do NOT see you.*

*PS- The Huntsman is around- just in
