Dear Parents/Carers,

Diwali

During the first week back after half term, Zouch Academy will be celebrating Diwali! Diwali, the festival of lights and the festival of happiness, is here again. We are all very excited and have created activities for the children to participate in over the course of the week!

As well as participating in a range of activities, we are also welcoming the children, who celebrate Diwali at home, to come dressed in any traditional Diwali day wear that they currently have on Friday 5th November.

If your child does not celebrate Diwali at home, they can come to school in their own colourful clothes.

Yours sincerely,

Mrs Cummins
Sparrow Class Teacher
