

Can you remember our Online Safety Song?

Using technology can be really fun, but if anyone does something online that makes you feel sad or uncomfortable, you need to **tell** a trusted adult so they can help.

Who are the adults at home that you can tell?

When can you tell an adult if you're worried?

Task: Draw a picture of 5 little ducks – write the names of 5 different people who you could tell if you had a problem online
